

GUARDA, COMPLETA E COLORA

Segui le frecce: ogni numero indica un oggetto. Scrivi il resto della parola sulla riga bianca. Completa anche il nome dell'ambiente sulla linguetta. Puoi usare le carte con le parole di aiuto.

STAMPA AL 100% - A4 verticale, solo fronte, dimensioni effettive. Il segmento deve misurare 2 cm. Ritaglia soltanto i contorni continui: la linea tratteggiata in alto serve per il montaggio.
